1. On June 9, 2008, we attended the Case Management Conference in this matter at which time the Court set a deadline of August 8, 2008 for an ENE session, in part, because plaintiffs counsel had a memorial service/family reunion in Minnesota planned for mid-August through the end of the month.

3. At the initial conference call on July 11, 2008, with the parties and Mr. Sochynsky, it was determined that a mutually acceptable date was not available until after August 8, primarily due to the Club’s principal person, Elizabeth van Sandwyck, being on vacation in the Antarctic from July 14 through August 10.

4. An ENE date of September 5, 2008, was the first mutually acceptable date found by the parties seek an extension of time beyond September 4.
